

Who We Are

At CaringCrest Home Care Services, we are a locally owned, family-focused home care agency committed to helping seniors live safely and independently at home. We provide both non-medical and skilled nursing services, tailored to each individual's needs.

Our compassionate caregivers are carefully trained to deliver care that nurtures physical health, emotional connection, and peace of mind for families. With deep roots in the community and a heart for service, we treat every client like family because we believe exceptional care starts with genuine compassion.

Our Mission

Our mission is to deliver high-quality, personalized home care that preserves dignity, promotes independence, and enhances the quality of life for every senior we serve.

Through dependable non-medical and skilled nursing services, we empower older adults to thrive at home—supported by a team that leads with empathy, respect, and unwavering commitment to excellence.

Your Comfort, Our Commitment

Our Core Values

At CaringCrest, we're guided by values that shape every aspect of our care:

Compassion

We lead with heart and empathy in everything we do.

Respect

We honor the dignity and choices of every individual.

Integrity

We act with honesty, transparency, and accountability.

Excellence

We deliver the highest standard of care and professionalism.

Independence

We empower seniors to live safely and confidently at home.

Connection

We build meaningful relationships that enrich lives.

Our Services

At CaringCrest Home Care Services, we provide high-quality, personalized care that allows seniors to live with dignity, safety, and independence in the comfort of their own homes. Whether your loved one needs a few hours of support or around-the-clock care, our compassionate team is here to help.

Non-Medical Home Care Services

Companionship & Social Engagement

Friendly conversation, recreational activities, and emotional support to reduce loneliness and promote wellness.

Personal Care Assistance

Help with bathing, grooming, dressing, toileting, and mobility delivered with sensitivity and respect.

Medication Reminders

Prompting and supervision to ensure medications are taken on time and as prescribed.

Meal Preparation & Nutrition Support

Nutritious, home-style meals tailored to your loved one's dietary needs and preferences.

Light Housekeeping & Laundry

Keeping the home clean, safe, and comfortable assisting with daily chores and laundry.

Transportation Services

Safe, dependable transportation to medical appointments, social outings, errands, religious services, and family visits. We also provide escort assistance to ensure comfort and security throughout the trip.

Skilled Nursing Services (available as needed)

Medication Administration

Professional assistance with oral, injectable, and topical medications, including insulin and wound care.

Vital Signs Monitoring

Regular checks to monitor blood pressure, pulse, temperature, and other health indicators.

Chronic Condition Management

Support for seniors with diabetes, hypertension, dementia, and other long-term health conditions.

Post-Hospitalization Recovery

Transitional care that promotes healing, reduces complications, and supports a smooth recovery at home.

Flexible Care Plans

We offer care from a few hours per week to 24/7 live-in support, tailored to your loved one's unique needs and preferences. All care plans are developed in close collaboration with families and healthcare providers.
